

## LINDA LARAMEE

### CONTROLLER & BUSINESS SOLUTIONS CONSULTANT

Linda Laramee joined BPW in 2007 and currently serves as the firm's Controller. She also dedicates part of her time to the Business Solutions Team as a Software Consultant for Microsoft Dynamics GP. She has over 20 years of experience in the private and public sectors, having served in a variety of roles such as Staff Accountant, Accounting Manager, and Budget & Financial Analyst. During that time, she was able to accumulate a host of financial skills, as well as expand her knowledge in software consulting by obtaining an MCP with Microsoft.

In her current role with BPW, she is in charge of managing the firm's day-to-day financial operations, overseeing processes, supervising the finance staff, developing standards, tracking and developing budgets, assisting in tax and regulatory filings, and compiling financial reports. She provides the status of the firm's financial position by collecting, interpreting, and reporting financial data and prepares special reports on related industry trends.

As a California native, she grew up in Redondo Beach, attended Santa Barbara City College, and received her Bachelor of Arts in Business Economics with an emphasis in Accounting from the University of California, Santa Barbara. She continues to build on her skills through continued professional education in master classes such as advanced accounting and financial reporting statement analysis.

Linda has a love for nature and enjoys scuba diving, mountain hiking, and bike riding and currently lives in Tennessee with her family. She is a big advocate for living a healthy lifestyle and enjoying a work/life balance. Her motto is: "Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and, most of all, love of what you are doing or learning to do."
