

STEPHEN J. KOROSY

MANAGER

Stephen (Steve) Korosy joined Bartlett, Pringle & Wolf, LLP's Business Consulting team in 2010, bringing with him extensive experience in business analysis and software application sales and implementation. He began his career in ERP software implementation consulting in 1997 and has assisted numerous clients in the successful implementation of their business solutions.

Steve focuses his work primarily on ERP/CRM software sales, CRM implementation methodologies and best practices. His experience includes project management, business process and operations reviews, various selling methodologies, system installation and implementation, technical support, data conversion and database administration, design of customized processes and reports and the design of custom applications to accommodate client-specific needs. He has also migrated, integrated and supported multiple systems including Microsoft Dynamics CRM, Sage SalesLogix, Pivotal, ACT!, Epicor ERP (formerly Platinum SQL) and Clientele, Microsoft Dynamics GP, Microsoft Dynamics SL, Sage MAS 500 and Platinum for Windows.

Steve's experience includes consulting for clients across many diverse industries from finance, retail, manufacturing and distribution, telecommunications, nonprofit, government, professional services, printing, aerospace, landscape and property maintenance, software, advertising and pharmaceuticals.

Steve received his Bachelor of Science in Accounting from the University of Phoenix. He resides in Goleta, California with his wife and daughter. In his free time, he enjoys traveling to foreign countries, SCUBA diving and making a mess of the kitchen in search of that perfect dish.
